HELP US MAKE THE INVISIBLE VISIBLE

Our channels are broadcasting faith, hope, and love to more than 21 million people (IPSOS 2016) across the Middle East and North Africa. Amazingly, it costs less than USD 1 for us to broadcast 24/7 to one viewer for an entire year.

Daily life is a struggle for many in the Middle East and North Africa. But we believe that even amid this turmoil and hardship, no one is out of reach of the hope of Christ. We want to bring hope where it is desperately needed.

**MAKING GOD’S LOVE VISIBLE**

At SAT-7 we believe that nothing – not oppression, censorship, or isolation – can separate us from the love of God. Using satellite television, SAT-7 makes God’s love visible to millions of people.

SAT-7 broadcasts dynamic, engaging, Christian programs 24/7 on its four channels. Our programs are produced by local Christians and we broadcast in Arabic, Farsi, and Turkish.

We receive more than 800 testimonies and prayer requests from our viewers every single day. This shows the great difference SAT-7’s programs are making in their lives.

**MAKING FAITH VISIBLE**

Our aim is to encourage, support, and empower the Church in the Middle East and North Africa in its life, work, and witness for Christ.

**MAKING HOPE VISIBLE**

Daily life is a struggle for many in the Middle East and North Africa. But we believe that even amid this turmoil and hardship, no one is out of reach of the hope of Christ. We want to bring hope where it is desperately needed.
